A.J. CIES

A.J. Cies is a young, talented videographer and editor who is passionate about life, video and the pursuit of communication. Video producers, musical artists, advertising agencies, non-profits and businesses have all benefited from his highly personal service, exceptional quality, and state-of-the-industry HD equipment and editorial expertise.

A.J.'s unique personal vision adds extreme value to every project he undertakes. A collaborative and energetic partner, he is truly dedicated to helping bring ideas and stories to life — persuasively and cost-effectively. From streamlined single-camera shoots to intricate multi-camera productions, in studio or on location, he can handle it, and has for clients like Wm Ohs Kitchens, Quizno's, IMMUNOe Health Centers and many others. His work can be seen at www.ajciesproductions.com.
